

The
CROGHAN
1932

DEDICATION

We dedicate the sixteenth volume of the Croghan to those students in Fremont Ross High School who have been able to find a workable ratio between study and play, who are consciously preparing to assume responsibility and leadership in their own time and generation.

Any assurance for a better tomorrow must be identified with them. We believe a mind once cultivated will not lie fallow.

ORGANIZATIONS

The American Constitution does not mention a cabinet. One of our most valuable and important governmental agencies has grown up outside the Constitution. Washington in choosing Hamilton, Jefferson, Knox, and Randolph for the Secretaryship of treasury, state, war, and Attorney General, established a precedent which has grown yearly in strength and service to the American people.

STUDENT COUNCIL

The Student Council is composed of one member from each room. These members are the presidents of their respective home rooms.

The purpose of the council is to develop and influence student thought. By doing this it will make the school a better place for student activities. It attempts to build good school spirit and morale.

This year the council started its work by sponsoring the first assembly program. A vaudeville program called the "Vanities of 1932" was one of the worth while entertainments sponsored by the council. Another thing was to fittingly celebrate the bicentennial of Washington's birth. It initiated many other programs and events throughout the year.

It was decided to divide the council into two councils next year. One for the senior high, the other for the junior high. On matters concerning the whole school the two councils will unite and work together.

CROGHAN STAFF

Few students realize that the publishing of a yearbook is a year long task with endless hours of labor. The staff shall feel that the time spent on the 1932 Croghan has been worth while if the book proves to be an acceptable mirror of Ross High activities for the past year.

The book had to be financed by subscription sales, before the task could be undertaken. The super salesmen of the senior class may consider this book the result of their efforts.

CROGHAN CHATTER

With earnest desire to make this year's Croghan Chatter the best since the first paper was issued in 1925, the twenty-eight staff members, with Miss Lisle, editorial advisor, and Mr. Marshall, business advisor, set out with enthusiasm last September to promote and record the school life of 1931-32 in an enlarged paper—one inch longer than past years.

New features this year were "Prudence Pepys," (written in the style of Samuel Pepys' diary), designed to present harmless, but amusing, comments on students and activities; "round table," which presented a question and answers by students and teachers; "Trial Flights," a column of pupils' original compositions; "Your pet Faux Pas," and etiquette article; "Fortnitely Favorites," criticisms of recent books, and "Ye Faculty," teachers' interviews.

The staff was repaid for its efforts by a record circulation, the highest in the Chatter's history.

Further reward came when the advisors and fourteen members of the staff journeyed to Columbus, November 20 and 21, to attend the eighth

annual convention of the Journalism Association of Ohio Schools. At this convention, when results of the state contest were announced, the Chatter received All-Ohio Honors in Division C, the highest possible rating.

The Chatter, which began its seventh year last September, is a charter member of the National Scholastic Press Association which awarded Fremont's paper Second Class Honors in the national contests for four years, beginning with the year 1926-27. However, last year's staff was successful in bettering the paper and winning First Class Honors.

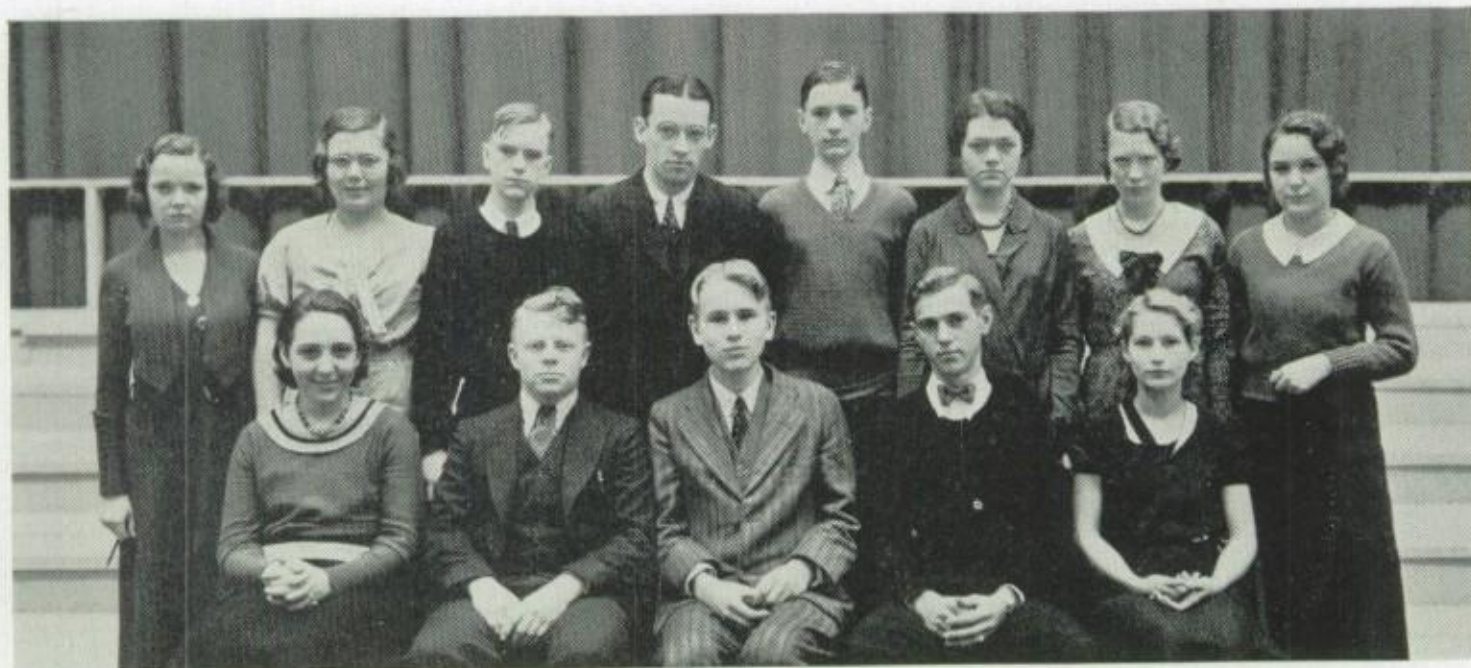

This year's staff hopes the 1931-32 Chatter may be awarded All-American honors, the highest national honors, as it was awarded All-Ohio, the highest state honors.

As members of last year's journalism class, each member of the staff tried out last year for the position he holds. Positions were given by advisors to pupils who proved they were best fitted and most capable of doing satisfactory work.

Christmas and Easter issues of the Chatter Magazine, literary supplement of the Chatter, were edited by Jean Forrest. Typing and mimeographing were done by Mrs. Daniel's stenographing classes. Cover designs were made by Betty Flickinger and Kathleen Bowlus in Miss William's art classes.

The 1931-32 staff was as follows:

<i>Editor-in-Chief</i>	Opal Overmyer

DEBATE

For the first time since its organization by Mr. Timmons in 1928, the debate team, due to lack of finance, was not able to participate in decision debates with the exception of the Ohio district attorney of the National Forensic league which was held in Ravenna, Ohio, early in April.

The debate for this year was: Resolved that the several states should enact legislation providing for a system of compulsory unemployment insurance.

Members of the squad and school who have earned sufficient points belong to the National Forensic league, the national honor society for debators. Members are divided into four ranks according to points won. The highest possible local honor, that of distinction, is held by Virginia Reeves, president of local chapter. Earl Rosenberger and Burton Johnson have degrees of excellence, Jane Wright and Robert Norton, honor, and Eugene Gressman, Kathryn Leedy, Dorothy Stokes, Alice Foster, and Haven Ansted, degrees of merit.

THE SPANISH CLUB

El Circulo Espanol, was first organized in Fremont High School in 1926.

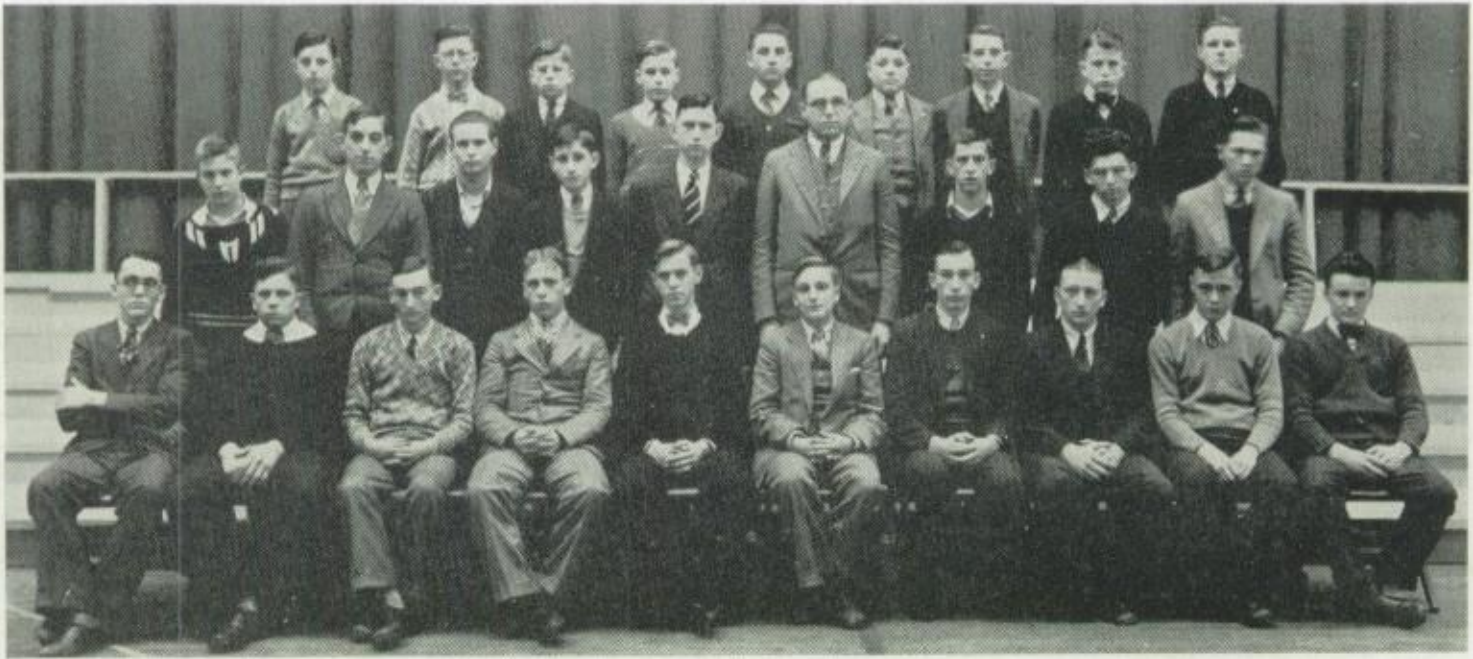

The purpose of the club is to gain further practice in speaking Spanish, and to learn something of the life and manners of Spanish speaking people in Spain, South America, Mexico, and in our own country. The students in the second year Spanish class are eligible to membership in the club regardless of grade.

Each club member is a subscriber to *El Orbe*, a Spanish magazine published in Havana, Cuba. This magazine contains much interesting world news, and also gives the student an opportunity to read every-day colloquial Spanish as written in a Spanish magazine.

Each member has the address of and corresponds with a boy or girl living in a Spanish speaking country.

F. F. A. CLUB

The F. F. A. was organized in 1930-31 under the direction of Mr. Weiler. The purpose of the club is to improve the modern methods of agriculture and to create an interest in farm life. It is composed of boys enrolled in vocational agriculture.

The club is a member of a state and national organization. There are four degrees which the boys may strive to reach. They are: the green hand degree, composed of freshman; second, the future farmer degree, which requires a year of vocational agriculture; third the state farmer, chosen by the state organization for superior work and leadership, and fourth the national farmer degree, which very few boys receive.

The Home Economics and F. F. A. banquet held last December was an outstanding event in the social affairs of the school club. Also, the livestock judging team won honors in the Tiffin and Toledo contests.

HI-Y

The Hi-Y, one of the older clubs of the school, was organized for the purpose of "creating, maintaining and extending throughout the school and community high standards of Christian character." For doing this the club frequently discusses at meetings the vital questions of high school boys.

The boys of the junior and senior class are eligible, and sophomores are also admitted at the beginning of the second semester.

The club has done many things this year. To raise money it sold refreshments from a newly purchased stand at Harmon Field. It also sponsored a Carnival and published football and basketball programs.

This year the Northwest District Older Boys Conference was to be held here but unfortunately it had to be cancelled. Instead of the usual four district conferences, one state conference was held at Dayton. Fremont Ross High sent six members.

GIRLS' GLEE CLUB

The Girls' Glee Club was organized by Mrs. Datesman in 1920 with twenty-three members. Today on account of the great interest shown the number has been limited to sixty.

Membership consists of students from ninth, tenth, eleventh and twelfth grades; new members being selected from the ninth grade at the close of each school year to fill the vacancies occasioned by seniors graduating.

Beauty of tone, accurate pitch, ability to read music, to sing a harmony part and general musical ability are required for acceptance into the club.

Besides the regular program given each spring in the School Auditorium, the club sings a group of sacred songs at the Baccalaureate service.

At the state meeting of the Federation of Women's Clubs in this city they entertained the members with a group of delightful songs. Last October they were honored with an invitation to appear before the Northwestern Teachers' Association at their Toledo Meeting.

BOYS' GLEE CLUB

In February 1928, the Boys' Glee Club gave their first public program in the High School Auditorium. Fifty members comprised this organization, which was an outgrowth of a double male quartet organized by Mrs. Datesman two years before.

In this way larger groups of boys could be reached, stimulating them to a greater interest in vocal development, a cultivation of a more refined taste in music, an appreciation of harmony and an outlet for boyish enthusiasm, which sometimes runs rampant.

Good intonation, clear enunciation, careful phrasing are points for which the Boys' Glee Club strive.

In addition to the special school program each Spring several short programs have been given by the club including appearances before the Kiwanis and Elks Clubs of this city.

BAND

The Band, which was organized in 1921, under the direction of Mr. L. W. Wainwright, is one of the outstanding organizations of the school. The present director, Mr. Walter Sells, has developed a very fine marching band as well as a concert band, capable of playing fine music. The members of this band are chosen by the director according to their musical ability.

The band has played for all the football games and for all home basketball games. Francis Welsh, with his strut and flying baton has been a very successful drum major. The band participated in the "Vanities," assembly, and gave a concert for the public. By far the most important event of the year was the Band Festival, held at Sandusky. Ten school bands, with over four hundred musicians attended.

There is also a Junior Band, consisting of beginners not yet capable of entering the Senior Band. This band has played many engagements throughout the city.

ORCHESTRA

The Ross High School Orchestra which aims to create an interest in students for the better type of music, is composed of students well advanced in orchestra playing. Under Mr. Sells, a very competent director, the orchestra was able to play many fine overtures during the year.

The orchestra has played for nearly all the important programs sponsored by other high school organizations. The musical accompaniment for the Operetta, the Vanities, the Junior Class Play, the Senior Class Play, and a concert given in February were the greatest achievements of the year.

Two dance orchestras were organized during the school year. They played for all the school dances. One was organized by Mr. Sells and Francis Welsh, called "The Stardusters," and was composed of Bob Post, H. Voss, F. Welsh, N. Smith, R. Weaver, M. Bloom, D. Schatt, I. Measley, R. Johnson.

The second orchestra was led by Wilton Mylander and composed of B. Horning, E. Welker, N. Voss, H. Anderson, H. Overmyer, W. Mylander, B. Johnson and H. Voss.

SENIOR HOME ECONOMICS CLUB

The Senior Home Economics Club is one of the oldest clubs in the high school. It was organized in 1924 and is now a member of the National and State Home Economics Associations.

The purpose of the club is to form a connecting link between the home and school and to train young women to be active members in home and community life. Its aim is also to furnish an opportunity through organization for social life, such as programs, picnics and parties.

This year the club went on an imaginary trip abroad. Discussion of home-life, customs, industries, and historical places of different countries was held.

The advisors of the club are Miss Jackson and Miss Hafford.

JUNIOR HIGH HOME ECONOMICS CLUB

The Junior High Home Economics Club was organized in 1930 and at that time was the only junior home economics club in the state. Its purpose is to give girls social training as well as training in leadership. Through the talks and programs that are carried on at the meetings the girls secure a broader knowledge of home economics.

Among its activities the club has arranged for and given the following: halloween party for all girls in the department, and produced small playlets suitable to the time of the year, has been addressed by the librarian and Miss Lutz, has arranged an assembly program. Baskets were packed at Christmas for needy families, and eighty dolls were dressed for poor children. The club also sponsored a tea for the mothers of its members.

The necessary requirements to become a member are: Average of B or above in home economics and passing in all other subjects.

COMMERCIAL CLUB

The Commercial Club was organized in 1926 for all juniors and seniors taking the commercial course, and having an average of "C" in three subjects, two of which must be commercial and the others as major.

Although this club is limited exclusively to commercial students it is one of the largest organizations in the high school, there being sixty-two members at present.

The purpose of the club is to promote higher scholarship, to broaden minds, and to get the business man's view point on the practical side of commercial work.

To improve the spelling of the members, spell downs are given during the meetings, which are held on the third Tuesday of each month. Thirty-five new members were taken into the club this year.

BANKING ORGANIZATION

The Banking Organization consists of members of the office practice class and a few selected members of the second years bookkeeping class, who act as assistants and substitutes. Banking takes place every Tuesday morning during home-room period and members of the organization render this service.

The purpose of banking is to install ideas of thrift and to encourage each pupil to open a bank account.

Fremont High School ranks highest in the state in percentage of pupils who bank and the entire school has averaged close to 90% or more each week holding an enviable record in comparison with other schools.

DRAMATIC CLUB

The Masque, the dramatic club, was organized in 1923 by a group of thirty pupils. Since its organization, it has increased in membership and has undertaken some of the most difficult dramatic productions and has produced them successfully.

The club's greatest undertaking this year was "The Merchant of Venice," an Italian comedy written by William Shakespeare. At the "1932 Vanities," a group of new club members presented "The Wedding," a one act playlet.

Membership in the club is open to sophomore, junior and senior students. Members this year were admitted into the club after having successfully taken part in dramatics of any type.

The club's aim is to interest students in dramatics and to teach those interested to express themselves dramatically.

The club also sponsored its second annual original one-act play writing contest.

BLUE TRIANGLE

The Hi-W was formed in 1928-29 with a selected membership, eligibility being based upon leadership and character.

This club continued for two years, but did not gain the end in view. Finally, in 1930-31 the remaining members of the Hi-W, after a long discussion, decided to solve the problem by allying the club with a national organization. Both Campfire and Girl Reserves were considered and it was found that the Girl Reserves better served the purpose of the organization; therefore, the old H-W club was transformed into the new Blue Triangle Club of Girl Reserves.

The purpose of the club is expressed in the following: As a Girl Reserve I will try:

Slogan—"To face life squarely."

Purpose—"To find and give the best."

THE FRENCH CLUB

"Le Cercle Francais" was first organized in 1926 under Miss Cockerill and took the name of "Entre Nous" which means in English, Among Ourselves. The name has been changed since and this year is "Les Vifs," The Lively Ones.

By an amendment to the constitution every member of the second year class regardless of grade is eligible. The regular meetings are held the first Monday of the month. The purpose of the club is to become better acquainted with French customs and people and for the practice of conversational French. This purpose is achieved by talks on French life and customs, by playing games in French, and learning French songs. Once a year a bridge party is held at which all terms are learned in French.

LATIN CLUB

The Latin Club was organized in 1927 under the supervision of Miss Day. This year the faculty advisor is Miss Van Buskirk. The club's name, C-Ver-C, was derived from the three Latin subjects, Ceaser, Virgil and Cicero. All Cicero and Vergil students are eligible for membership. The members have chosen "Vit Via Vi" as their motto.

The object of the club is to cultivate a deeper interest in the classics, to become acquainted with the Greek and Roman philosophers, and to learn of the manners and customs of the Romans. Through the devoted interest of Miss Van Buskirk, the students are beginning to look upon the Anied and other classics with real interest.

During the Christmas season the club went caroling and sang many of the well known carols in Latin.

OPERETTA

In "Oh, Doctor!", a two-act operetta, with its Spanish setting and colorful costumes was displayed the best musical talent in Fremont high when it was given on April 1 by the music classes supervised by Mrs. Datesman.

THE STORY

Glory, orphaned granddaughter of Dr. Drinkwater, owner and operators of a famous Sanitarium and Spring in New Mexico, must fulfil her late grandmother's request to spend the last twenty-four hours before her twenty-first birthday with her grandfather but she had already signed a contract to make a talking picture in South America on that date. She must keep her contract but still wants to obtain the money which would be left to her if she performed her late grandmother's request. Glory remembers her friend Honor, who has a sick mother and conceives the idea of sending them to the Sanitarium in her place. When Honor and her mother, Madam Chere, arrive at the Sanitarium, the fun and troubles begin. Bob, the fiance of Glory, Honor, Philip, Dr. Drink-

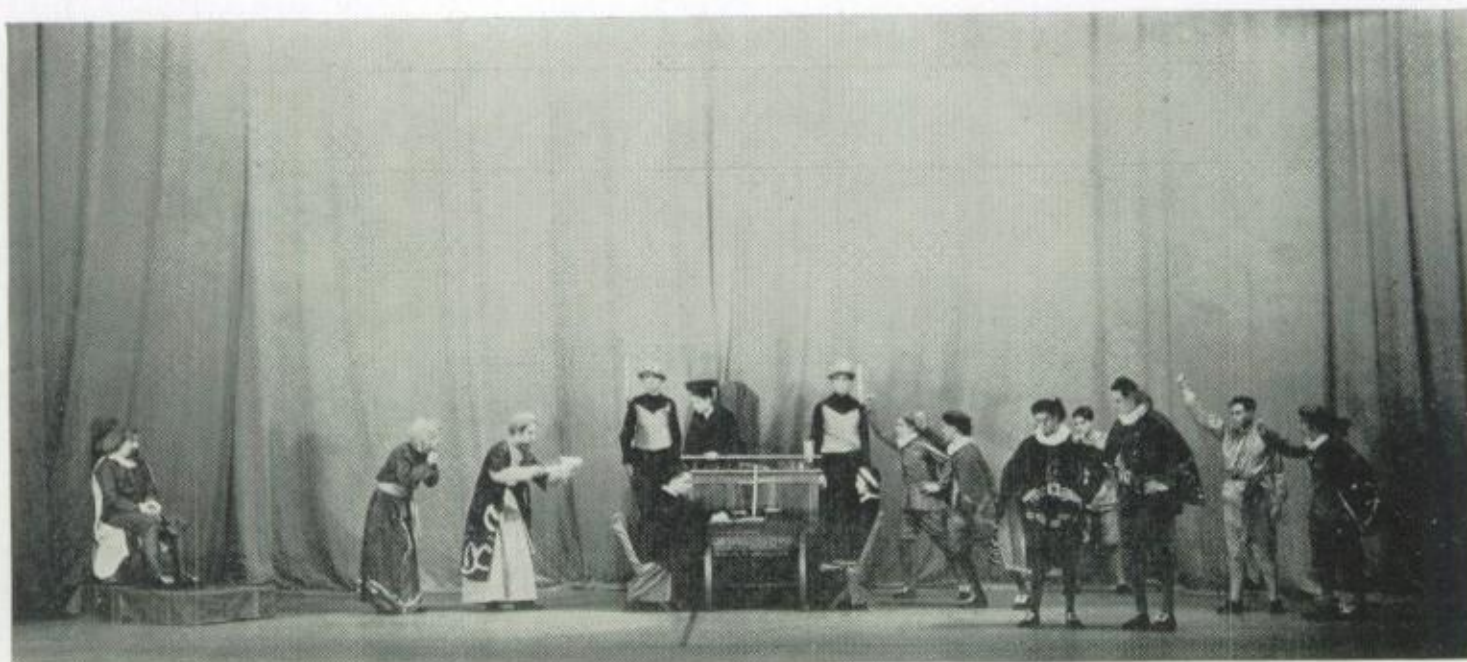

water, Bessie, the maid, and Rainbow, a colored boy all participate in many hair-breadth escapes in trying to hide the identity of Honor.

In the end Drinkwater is overjoyed that Glory is engaged to Bob and as the curtain falls we see them all happily planning to take part in the trip to South America where Bob and Glory are going to make a talking picture.

DRAMATIC CLUB PRODUCTIONS

THE MERCHANT OF VENICE

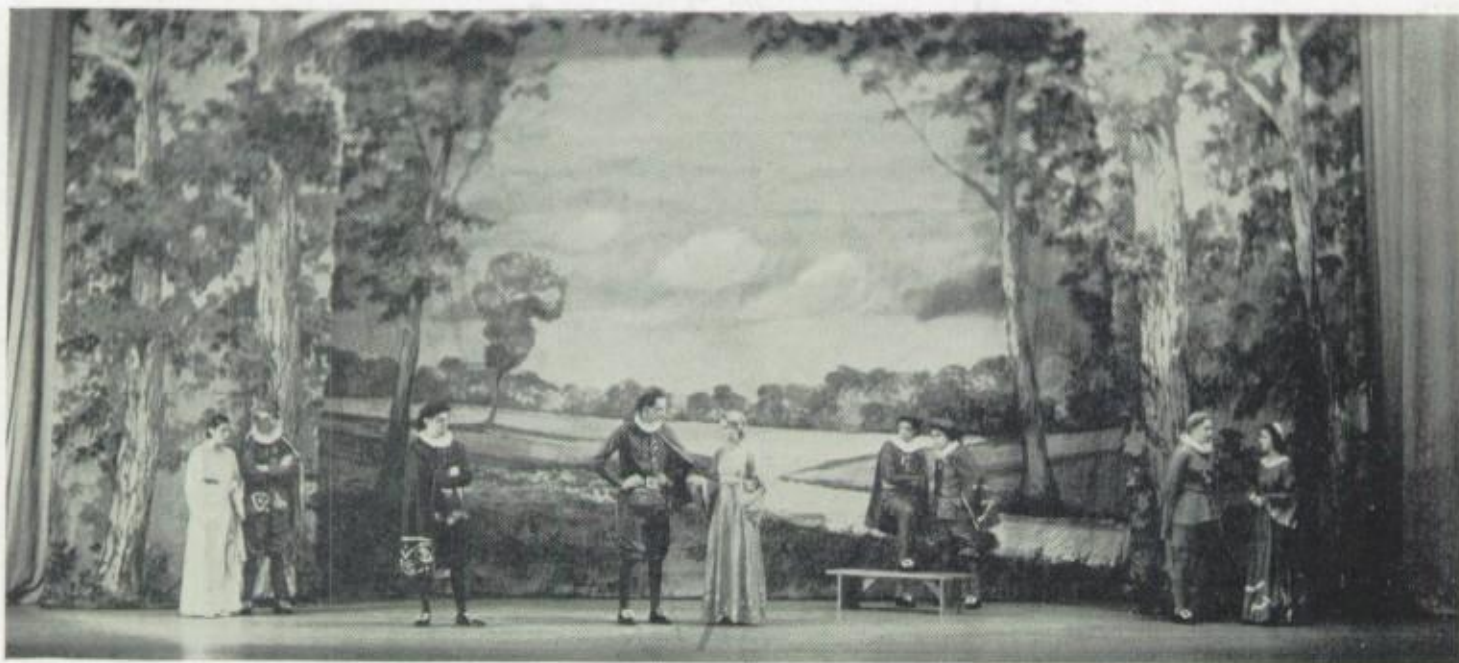

"The Merchant of Venice," an Italian comedy by William Shakespeare produced on February 8 and 9, was the greatest undertaking of the dramatic club in the history of Fremont high.

Much of the credit for the successful production of this difficult undertaking goes to Mr. Timmons, head coach, and to Miss Mead and Mr. Bone, assistants.

Cast of characters were: Shylock, the Jew, James Greetham; Tubal, his friend, Henry Billow; Antonio, a Venetian merchant, Earl Rosenberger; Bassanio, his friend, Howard Smith; Duke of Venice, Russ Christy; Portia, Virginia Reeves; Nerissa, La Vonne Younkman; Jessica, Anna Karlovetz; Gobbo, Henry Billow; Launcelot Gobbo, Helen Kistler; Salarino, Ralph Lorenzen; Salanio, his friend, James Riel; Lorenzo, John Van Doren; Gratiano, Haven Anstead; Balthazar, Evelyn Mielke; Leonardo, Norbert Voss; Prince of Morocco, Robert Post; Prince of Arragon, Robert Henne; Clerk of Courts, Harold McGormley; Servant to Bassanio, Charles Gavitt; Guards, David Holmes and William Gavitt; Mistress of Costuming, Miss Oglesbee; assistants, Opal Overmyer and Ruth Klegin; business manager, William Gavitt; advertising manager, Henry Billow; stage manager, Charles Gavitt; and press representative, Virginia Gabel.

JUNIOR CLASS PLAY

"The Youngest," a three act comedy, was successfully produced by

the junior class on November 20 under direction of Coaches Timmons and Bone.

Characters were: Charlotte Winslow, Jane Neuman; Oliver Winslow, James Riel; Mark Winslow, Harland Anderson; Augusta Winslow Martin, Evelyn Mielke; Allen Martin, John Van Doren; Martha Winslow, Catherine Haas; Richard Winslow, Thayne McDonald; Nancy Blake, La Vonne Younkman, and Katy, Faye Louise Forgeron.

Those who assisted in another manner were: Costume designers, Dorothy Culbert and Christel Miels; stage and property managers, Charles Gavitt, Vincent Schutt, and Glen Potter, press representative, Virginia Gabel, and stage designers, Mary Ellen Freeh and Faye Louise Forgeron.

THE WEDDING

A short one-act playlet, "The Wedding," directed by Loretto Hensch and Burton Johnson was given at the "Vanities" on December 11, by a group of new members of the dramatic club. Students taking part in this comedy were: Lee Moore, Jane Wright, Dorothy Stokes, Russ Christy, Ralph Lorenzon, Jack Zink, and Verna Pierce.

MRS. BUMPSTEAD-LEIGH

The senior class produced Mrs. Bumpstead-Leigh, a three act comedy, as the senior class play on June 7.

Row 1—R. Wingard, R. Hensel, N. Voss, A. Rimelspach, R. Norton, J. Dunham, W. Hague, W. Wolfe, R. Balsizer.

SCIENCE CLUB

The Science Club was organized in 1927 under the supervision of Mr. Laub. However, Mr. Cooper is the present faculty advisor. The well chosen motto of the club is "Experiment to Succeed" and the object is to obtain a better and more thorough knowledge of science and scientists. The symbol of the club, M. P. C., designates three fields of science, Mathematics, Physics and Chemistry.

To be a member of this club a student must receive the approval of the members and have an average of A or B in five of the following subjects: General Science, Biology, Plane Geometry, Solid Geometry, Algebra, Advanced Algebra, and Chemistry and Physics which are compulsory.

Besides the regular meetings held every other week, in which experiments are performed and present day scientific topics discussed, the club presented an assembly program, featuring musical numbers, a play, and an interesting film on electricity.

ROSS HIGH SCHOOL LIBRARY

The high school branch of Birchard library started functioning in the new high school building during February 1931 with a total of about 2,500 volumes and 25,000 available volumes at Birchard library. Since then several hundred volumes have been added. The library is completely equipped and catalogued, having a very fine charging desk, card catalogue, reference and circulating department.

The High School Librarian has a staff of eight assistants (one for each period and after school) whose duties are to assist in the charging and receiving of books, mending, shelving, and reference work.

At regular intervals staff meetings are called at which time the problems and interests of the library and ways and means for bettering the library and librarians are discussed.

PAGE FROM SCHOOL DIARIST

(*Editor's Note*—The following excerpts from Prudence Pepys have been reprinted with the kind permission of the copyright owners, Jean Forrest, Opal Overmeyer, Loretto Hench, and the publishers, Croghan Chatter and Co.)

Journeyed with not a little fear to the big junior dance this evening, having heard a little private "back-biting" was planned. However much relieved at its harmlessness—really quite placid—with the red headed Egbert as a farm hand—isn't that rather out of her element—or is it?

1932 fashion wrinkle for boys is corduroy pants—worn by such spectacular senior men (ahem) as Buddie Greene in dazzling white, Don Nickles in geranium red, and Neal Waggoner in ginger brown. Is Sam's offering a sale, or did Santa get wholesale inspiration?

Heard vague rumors of a Hi-Y carnival soon—ought to have a whole tent full of freaks. As a forecast of what it would be—Burt Johnson as chief bally-hooer; bill Kaufman, the trained seal; Earl Rosenberger, hula dancer, and Willie Wolf, veiled fortune teller.

So far everyone (especially ye male population) has been imitating an iceberg in a most freezing fashion. Earl Rosenberger, by his dignified indifference seems to have captured a flock of feminine hearts. And to such an extent that one dashing young frail (?) is even getting coy, while poor "Rosey" is all unaware of the fact! Breathes there a man with such unseeing eyes . . . !

How those stiff Senior Deans can leap frog! And Mr. Stokes seems to be an authority on childish games. Do tell, where is your dignity? The craze is now started for weiner parties at Hazelhurst.

Three cheers! The senior boys are growing up—"Ikcy" Hague had his first "date" Saturday nite! But the big question is—who was the girl? And Moe Greene—though he hasn't outgrown the childish habit of playing Jack the Peeper into other peoples cars at night—declares it is not to learn, for he's already an experienced man! Why, Grandpa!

SPORTS

The fox hunt was the best beloved sport of the early Virginians. It was the favorite pastime of our first President. His superb horsemanship enabled him to follow the hounds closely. To sound the hunting horn, to feel the tense and eager body of a thoroughbred beneath one, to dash away over hill and dale to the music of the hounds on clear starlit nights, gave a thrill to many a country gentleman.

COACHING STAFF

Ross High's athletic program was handled by the same efficient group which handled the activities last year. Under their supervision Ross High had a successful year.

Mr. Oldfather was head coach of football and basketball. In addition to this he had charge of all intra-mural activities.

The track squad was under the supervision of Mr. Ogden. He also was assistant to Mr. Oldfather in basketball and intra-mural events.

Mr. Laub had charge of both reserve teams. He worked hard to develop future varsity material.

Mr. Bode was an able assistant football coach. He also had charge of a football class which met during the winter.

The junior high teams were handled by Mr. Gruse. His task was to develop future stars.

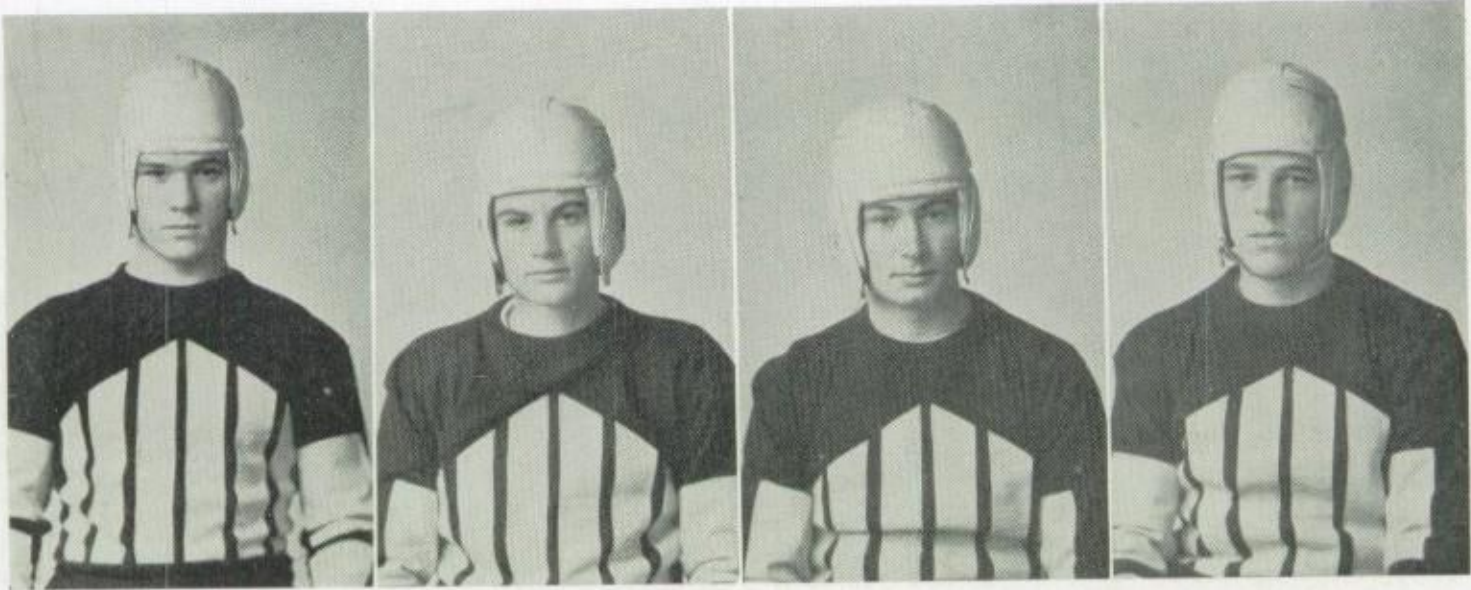

Mr. Cochran was faculty manager. Upon his shoulders were heaped the financial worries of the staff.

The girls basketball team was very capably handled by Miss Tennerstedt. She also had charge of girls' intra-mural sports.

Miss Zechiel assisted Miss Tennerstedt in girls' basketball.

FOOTBALL

Old King Football once more ascended the throne of sport at F. H. S. and looked over his subjects. At once six veteran lettermen along with a scrappy bunch of last year's seconds and reserves came to pay tribute to their king, ready for work and play.

Work began with the hot summer days of early September and continued on through the fall and closed with our annual Thanksgiving day battle with Sandusky. When the season had ended another F. H. S. football team went into history with a record of two winnings, seven defeats and one tie, recording sixty-four points to their opponents one hundred eleven. In spite of the poor record the coaches and team are still to be praised for their hard work throughout the long season.

Fremont's green team showed very well in the season's opening with Whitmer, considering that they had had only three weeks of practice. They consistently outplayed Whitmer, advancing the ball time and time again into scoring territory, only to lose it each time by fumbles. Whitmer fought hard, and late in the game were able to score by means of a field goal to win the game 3-0.

Two more weeks of hard work and then Fremont journeyed to Findlay to meet Findlay's great team. Well, Findlay won 33-0. Led by one of Ohio's best running backs, Findlay started off like a house afire and literal-

ly ran roughshod over Fremont, scoring three touchdowns in the first quarter. Here Fremont braced and held Findlay to only two touchdowns for the remainder of the game. Fremont's offense clicked in spots, running off one or two large runs, but it was not consistent enough to make any serious threat against Findlay's veteran team.

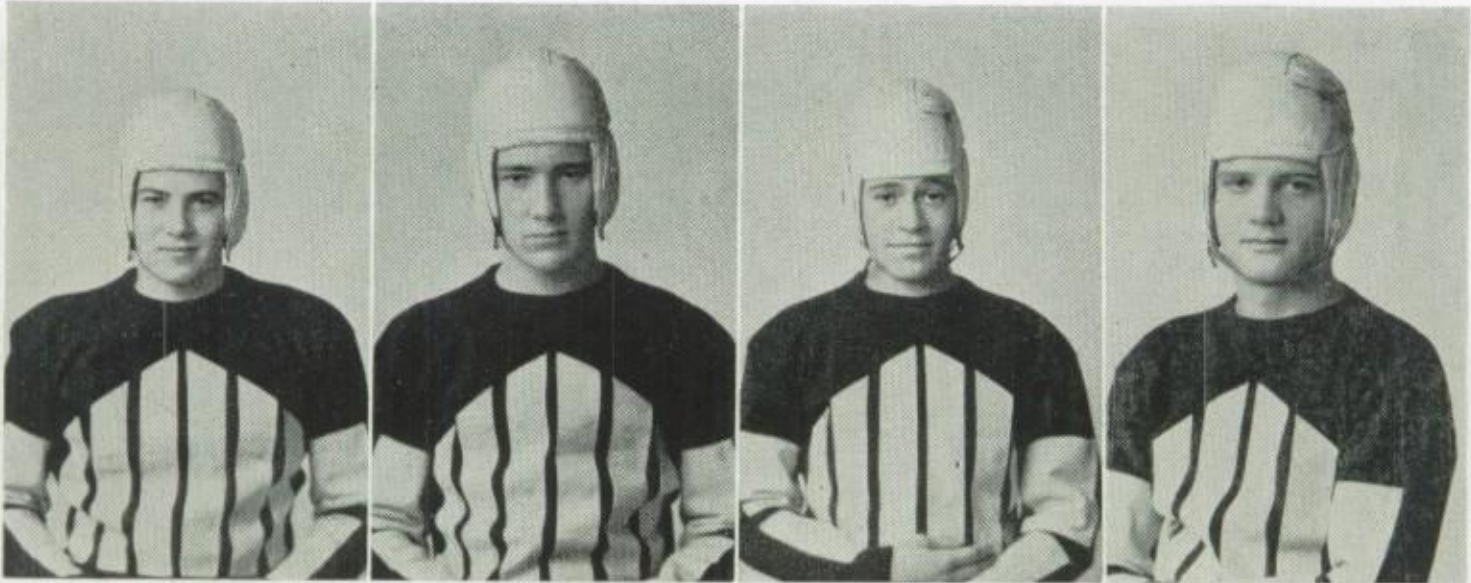

The next week Fostoria came to Harmon Field. Fremont scored a touchdown early in the second quarter to take the lead 7-0. Fostoria, not to be outdone, came back and scored, but Fremont was still out in front 7-6. Early in the second half a Fostoria back caught a punt on his own ten yard line and raced through the whole Fremont team for a touchdown and a Fostoria victory by a score of 12-7.

A vastly improved Fremont team journeyed to Oberlin and smashed the Indians to the tune of 14-6. Fremont, playing good ball, rolled up two touchdowns, both of which resulted from long marches down the field. Oberlin scored their touchdown on a forward pass in the last minute of play. But what does that matter? Fremont had won its first league game.

Next week Willard came to Harmon field with one of the best teams in the history of their school and beat Fremont for the first time since their entry in the league. Willard scored early in the second quarter on a long pass after they had been held back by Fremont's heavy line. Fremont's offense did not click as it had the week before and they never

seriously threatened the visitor's goal line. Willard scored again late in the fourth quarter to win by a score of 12-0.

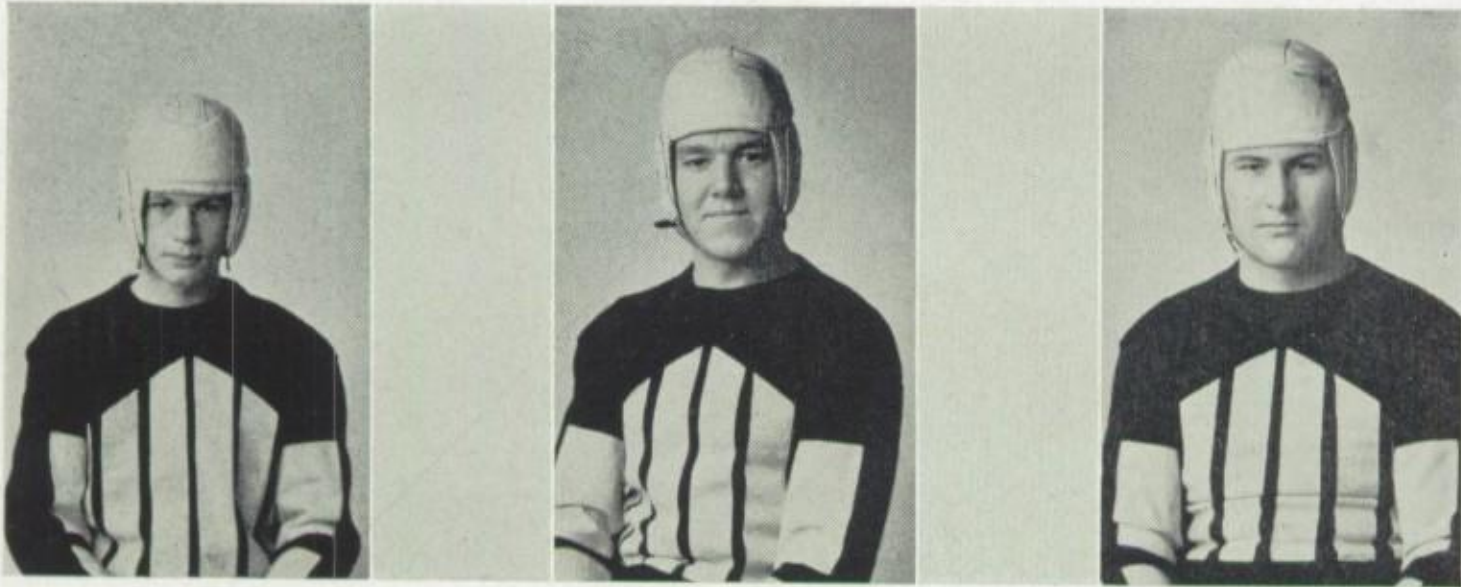

The next week Fremont went to Tiffin. Fremont consistently out-gained Tiffin's lighter team, but every time they got into scoring territory they lacked the final punch to put over a score. Fremont's defense again stood out and held Tiffin from crossing our goal line. The final score was 0-0.

Came Armistice day, and Norwalk with their light but fast, elusive team. Fremont scored early in the game. But Norwalk with the elusive backs and clever passes scored two touchdowns to take the lead 12-6. Fremont tied up the game, 12 all, by another touchdown and took the lead 18-12 when they blocked a punt deep in the visitor's territory and carried the ball over the goal line from scrimmage. Norwalk, aroused by this last touchdown, took the ball on the next kick-off and by means of some very clever passes carried the ball over the goal line to tie the score 18-18. By means of a clever fake they were able to cross the Fremont goal line unmolested to give Norwalk a 19-18 win.

The little giants played their second game of the week with Bellevue in a sea of mud and won by a score of 13-0. Fremont scored in the second quarter after a long series of line plunges. Bellevue came back strong and in the last quarter once or twice seriously threatened Fremont's lead. But Fremont intercepted one of Bellevue's desperate passes and

scored, putting the game safely in the bag.

Thanksgiving day dawned and miracle of miracles, no blizzard or biting cold that usually accompanied the annual classic between Fremont and Sandusky. Sandusky came to town with an unbeaten team and heralded by many as the best in this section of the state. But Fremont did not care for their reputation. They just took the opening kickoff and after an exchange of fumbles, stupified Sandusky's rooters by marching over the goal line for a score. But Sandusky evened this when they recovered a Fremont fumble on Fremont's one yard line and carried it over for a score. Then again Sandusky scored, this time on a long forward pass after Fremont had thrown them back for two bad losses when they had threatened our goal line. Sandusky added another touchdown just before the half closed, by intercepting a Fremont pass. Fremont rallied to start the second half and held Sandusky scoreless throughout the third quarter completely stopping Sandusky's much heralded line plunger. But Sandusky opened the fourth quarter with a continued series of end runs which resulted in another score, Fremont fighting to the last, scoring again by an intercepted pass before the final gun barked. Although losing, the boys showed great fight and spirit giving Sandusky one of its hardest battles of the year. The final score was Sandusky 26 and Fremont 12. The team and coaches are to be complimented for the splendid uphill fight made throughout the football season.

FOOTBALL SQUAD

Much credit is due this group of boys who, of their own accord, reported for practice regardless of the weather. Much credit goes also to the reserves who were the shock troops of the squad and who received little glory for their work. All the boys gained something from football. They learned to play hard and square, to keep physically fit, and to sacrifice many lesser pleasures.

The football squad was divided into two groups. The first group was under the charge of Mr. Oldfather and Mr. Bode. The second, the reserves, was handled by Mr. Laub.

The reserves played several games. The teams played were: Port Clinton, Sandusky, Tiffin, Findlay, Bellevue and Willard. The reserves won from Sandusky and Tiffin, lost to Willard and tied Port Clinton, Bellevue and Findlay.

The successful season proved that many of the reserves will be varsity material next year.

JUNIOR HIGH FOOTBALL

Although little was heard from this group of boys they worked as hard as any other group. Fundamentals were emphasized by the coach, Mr. Gruse. In this manner he hoped to lay the foundation for future playing. The boys also learned to play as a unit and not as individuals. Above all they learned good sportsmanship, hard and clean playing.

There were about forty boys out for practice every night, which shows the interest taken in it. Practice lasted for a period of eight weeks. There was no schedule. Two practice games, however, were played, one with the Reserves and the other with the Flower Valley team. Nevertheless, the boys had a lot of fun and learned football. They will, no doubt, be future stars.

The team was under the competent care of Mr. Gruse. Much credit is due him for his work with the squad.

BASKETBALL

When the basketball season opened at Fremont High everything looked bright. Six letter men were back along with a host of other material. The team played in and out ball during the season but caught its stride in the tournaments and was not beaten till it reached the district finals. When the season had closed the team had won 12 games and lost 7, and had tied for second in the league race.

Fremont opened the season with DeVilbiss and sent the Toledo boys home with a 23-14 defeat.

Next week using its effective fast breaking offense Fremont easily beat Fostoria 38-16.

St. Joe caught Fremont off form and although Fremont staged a strong last quarter rally the gap was too big to close, losing 26-27.

Fremont opened the league schedule by defeating Bellevue 34-21 in a fast game.

Next week Fremont defeated Sandusky 24-22 in a rough and tumble battle. Fremont rolled up a big lead early in the game and although Sandusky staged a thrilling comeback they could not close the gap.

Oberlin caught Fremont on one of its off nights and won 32-20.

Sweet revenge! Fremont started with the opening whistle and never stopped, rolling up a 43-19 victory over St. Joe.

Fremont journeyed to Willard and easily beat the Railroaders, 32-11.

For their third game of the week Fremont played the strong Ashland five. Ashland won 26-21 in one of the fastest games played during the season.

Fremont just couldn't hit the basket against Tiffin and lost 22-20. Fremont took more than twice as many shots as the visitors but the ball just wouldn't go in.

Fremont journeyed to Norwalk and took the league leaders into camp 33-25. Norwalk led most of the way but Fremont staged a scrappy finish and rolled up a commanding lead before the gun sounded.

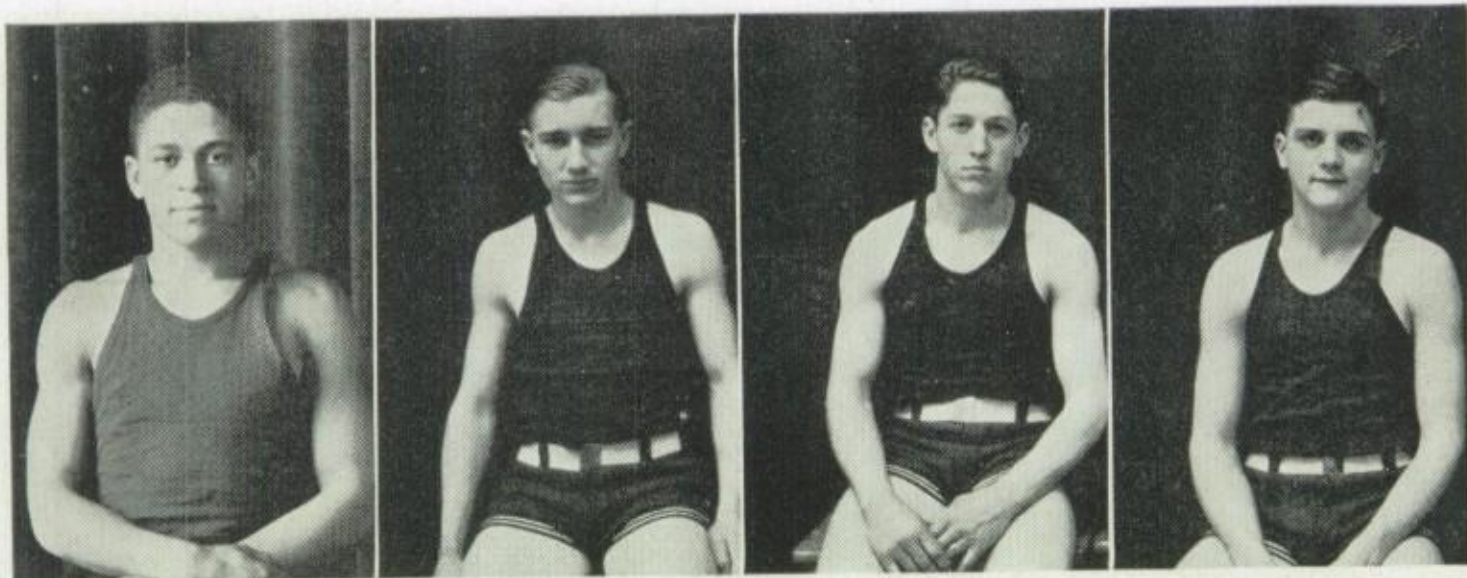

Junior Order struck Fremont on another of its famous off nights and won handily, 31-17.

Next week Findlay nosed out a one point victory 23-22 over Fremont in a very loosely played game.

Fremont defeated Bowling Green in its first tournament game 33-25. Bowling Green had a five point lead in the third quarter, but Fremont found the basket and quickly went into the lead.

Fremont easily won the semi-finals by beating Upper Sandusky 41-22.

In the finals Fremont played its best game and took the tournament honors by beating Bucyrus 35-24. Fremont was hitting the basket from all angles and the visitors never had a chance.

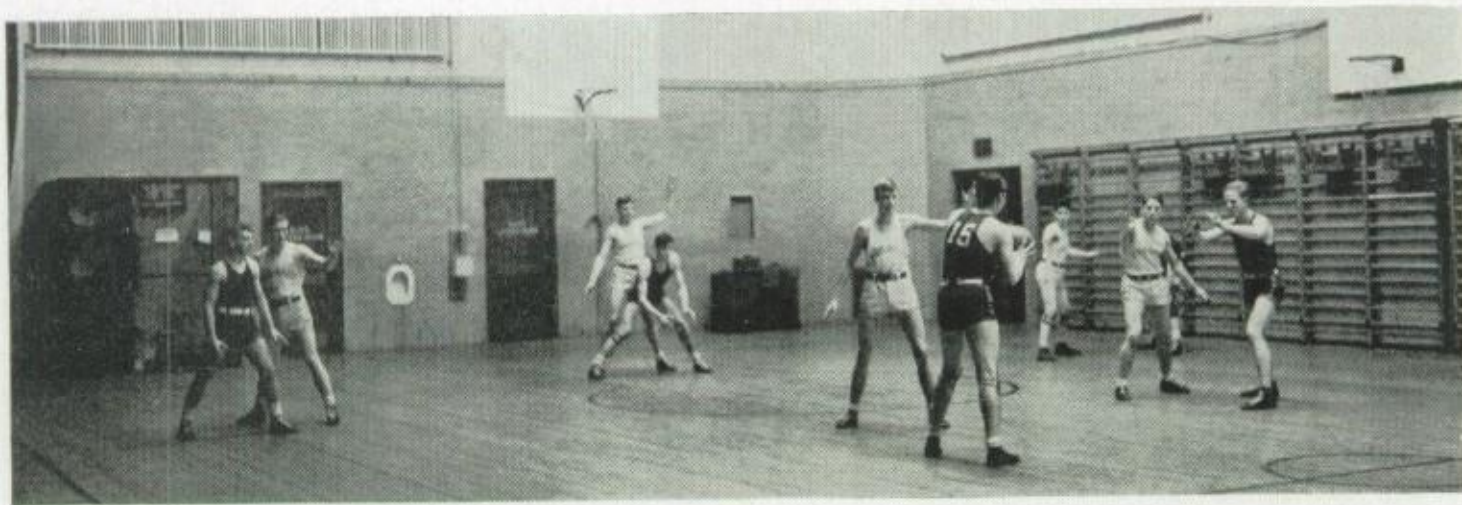

As Fate would have it Fremont drew Bucyrus in the Findlay tournament and this time won 43-29. Fremont played its best game of the season using its fast breaking, hard driving offense which held Bucyrus to a standstill.

Fremont defeated Wauseon in the next game 35-26. Wauseon put up a hard fight and it wasn't till the last quarter when Fremont staged a strong spurt that the game was safely in the bag.

And then Ashland put an end to all hopes of Columbus by its 28-23 victory over Fremont's Little Giants. A tired Fremont team put up a strong fight and even whittled 8 points off Ashland's lead in the last quarter but couldn't turn the trick against Ashland's fresher team.

Although called the greatest in and out team in history, the coach and his squad of Longfellows or Little Giants deserve much praise for their season's record. Especially, they should be praised for their fine tournament showing and their fighting spirit, which won many games for them in the last quarter.

BASKETBALL RESERVES

This year in Basketball there were two squads of reserves. One which was called the second ten, worked with the varsity squad and was handled by Mr. Ogden. The other, which was called the reserves, practiced after the varsity and was handled by the regular reserve coach Mr. Laub. The second ten played most of its games with the reserve teams of the schools which the varsity played and completed the season with 7 wins and 6 defeats, winning the last four games which showed their steady improvement. The Reserves played their schedule with different county schools and lost only 5 games and 2 of these were over-times.

The showing of these two squads was very promising. By practice and competition, future varsity material was given much needed experience which is need to make a good basketball player. Looking back on the season's record of these two squads we feel we can predict a good future for Fremont High in Basketball.

JUNIOR HIGH BASKETBALL

Fremont's Junior High Basketball team is growing in strength and popularity. This year's squad was composed of thirty boys from the Junior High. As in football fundamentals, team play, and sportsmanship were emphasized.

The team this year had a twelve game schedule, winning five, and losing seven. At the end of the season the team elected an honorary captain. This honor was conferred upon Ford Gomoll.

Much credit for the success of the team goes to Mr. Gruse, who had charge of the team. He says that the boys look like future stars of Ross High.

GIRLS' LEADERS GROUP

This is the first year in which a girls' leaders group was organized in the gym program. They are to help in directing the heavy burden of physical culture for all girl students in the High School. These girls, chosen mostly from the Junior and Senior classes, were chosen by Miss Tennerstedt because they had a good moral standing, were dependable, were willing to work and cooperate with the general school program. Good posture, poise, control, and character were also taken into consideration. Their aim is to train and develop themselves to become leaders, to stimulate good morals, high character, pleasing personality, good posture, cooperate in the school program, and to promote good scholastic standing. These girls had to pass in all subjects of last year as well as this year's work. They check attendance, take the weight and height of each girl at given intervals. At various times the leaders have charge of the entire period, directing exercises, races, and various games. This promotes more interest among the girls and develops them to become leaders in this phase of work.

GIRLS' BASKETBALL

The Huskies, captained by Elizabeth Althoff, started their successful season by defeating Clyde 27-24. As it was their first game they were green and did not show much form. It was in this game that Arlene Benner began her career.

The Huskies second game took them to Bloomville where they were defeated, in a fast and exciting game, 29-30. This proved to be the only defeat the Huskies were to suffer. The girls played very hard during the whole game. They were ahead at the half and ahead by one point in the last 30 seconds of play, but luck was with Bloomville when they tossed the ball into the basket putting them ahead by one point when the gun barked. The girls were given the chance to show their good sportsmanship in this game, and by all the reports they certainly should be complimented on the way they displayed it.

A week after their trip to Bloomville, the Huskies journeyed to Willard. Here they played their next to the best game of the season. It was a game where they showed form, speed and lots of fight. This game

was a pleasure to watch and there were many remarks from the rooters as to the effect that it was the best game of girls basketball witnessed. Empcke played an outstanding game, while Althoff and Mooney made many beautiful shots which accounts for the score of 31-25.

The game with Port Clinton was a desperate struggle, with the score ending 31-32 in favor of Fremont. It was a fast and hard game from the beginning to the end. The Huskies were out to avenge their defeat of a year ago. Arbogast, coming in the last few minutes of the game, saved the day by breaking up Port Clinton's passing.

Oak Harbor was Fremont's next opponent. Capt. Althoff was high scorer again in this game. The score 26-23 with Fremont piling up the 26 points, proved that it was another close game. But when victory was in doubt Arbogast again saved the day by intercepting their passes.

The last game of the season was played with North Baltimore. This was by far the best game of the year. With their good passing and their pep and fight it proved to be an excellent demonstration of good basketball. It was in this game that they distinguished themselves as a good team. Elizabeth Althoff and Anne Rimelspach played their best game, perhaps due to the fact that it was their last game. It was Anne's wish

that her girl wouldn't get a point and the "small but mighty" Anne had her wish, for her forward was unable to score. This game ended with the Huskies on top again 36-23. Captain Althoff made 22 of the 36 points. She led the Huskies of 1932 to 11 victories out of 12 games played, which nearly equaled the record of Hilda Althoff's champion team of 1929.

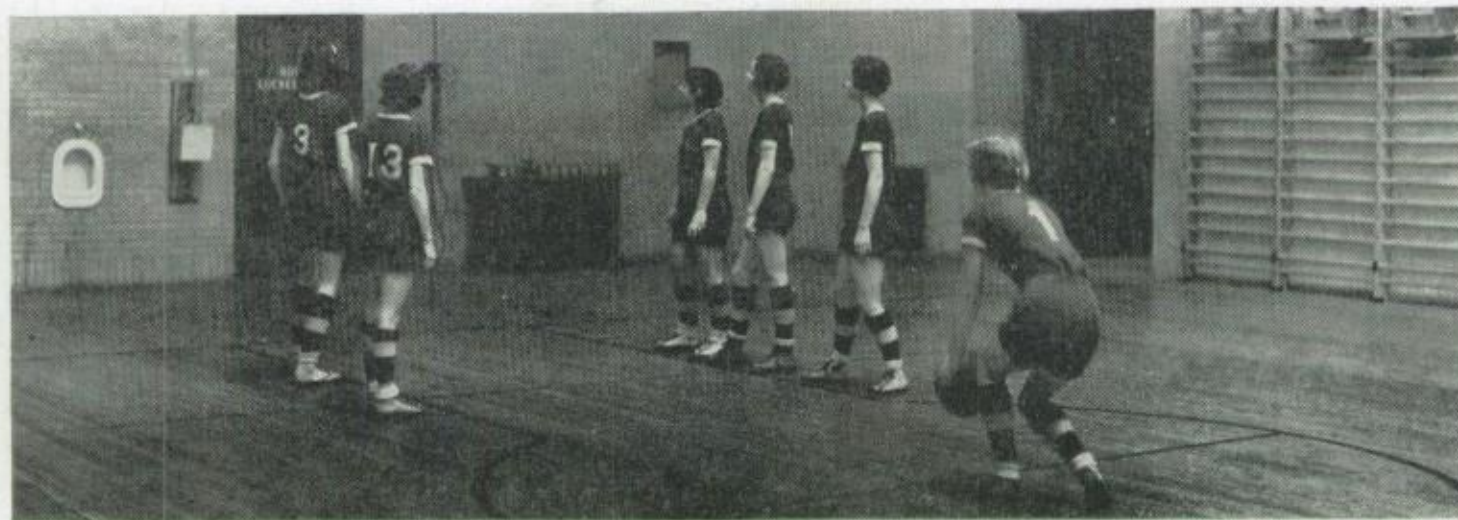

The Huskies came through with a very successful year losing only one game and winning eleven. Never before has a girl's team shown such wonderful cooperation between the players and the coaches. They never lost hope and fought hard till the last minutes.

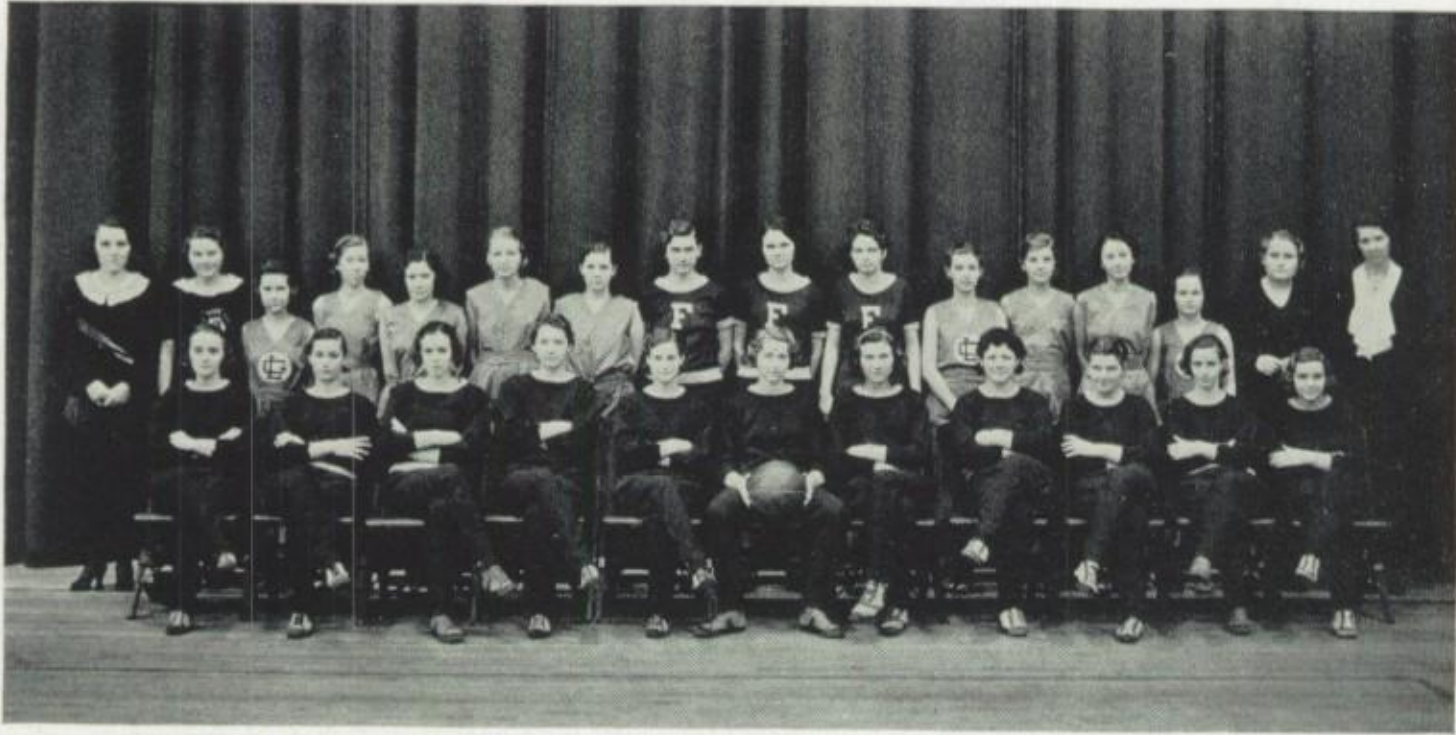

Coach Tennerstedt's and Assistant Coach Zechiel's skillful coaching and high standard which they set for the girls, led the team on to victory.

Managers Mary Stokes and Iris Jane Miesle made happenings a comedy which might have seemed a tragedy. The hostess for the visiting teams was Dawn Perkins.

As a token of appreciation for the girls' splendid cooperation and outstanding record, Miss Tennerstedt and Miss Zechiel presented the letter girls with gold basketballs.

TRACK

An inexperienced squad, in which there were only two lettermen, under a new coach, began the 1931 track season for Fremont High. Fremont, due to inexperience, lost its first meet to Port Clinton 61-2/3 to 58-1/3. In a triangular meet Fremont finished second to the powerful Sandusky team, beating out Bellevue for second place. In a dual meet with Tiffin, Fremont showed the result of long coaching and defeated Tiffin 65-62. Fremont took third place in the Little Big Seven meet. Although Fremont captured no firsts, she made up her points on 3rds and 4ths. In the annual interclass meet the Juniors, for the first time in the history of the school, defeated the Seniors. The Sophomores pushed the Seniors hard for second place. In the district meet Fremont could not hold her place with stronger competition and scored only 3 points. In the last meet of the season the powerful Toledo Waite team easily won over Fremont.

Left to right—M. Corlett, J. O'Farrell, E. Brehm, Coach Flinchpaugh, R. Post, N. Voss, D. Wilson.

TENNIS

Last spring baseball was dropped as an interscholastic sport and tennis and golf were started. As the tennis team was inexperienced it was not a very successful season and the team lost five straight games to Findlay, Bowling Green, Norwalk, Sandusky and a second to Norwalk. The next game the team seemed to hit their stride when they defeated Bowling Green in a return game. They also defeated Sandusky and Napoleon in the last two games of the season.

One of the results of the interest shown in tennis was the building of the new courts at Harmon Field. They are very fine courts and Ross High may well be proud of them.

Much credit for the successful organization of the team is due to Mr. Flinchpaugh who volunteered to coach the team. He and the boys worked very hard trying to get a winning team.

Mr. Flinchpaugh resigned his place on the faculty to do graduate work at the University of California this year. It will be difficult to find someone to take over his position as coach of the tennis team this spring.

Left to right—Clyde Potter, Walter Winnes, Edgar Mielke, Lionel Lawrence.

GOLF TEAM

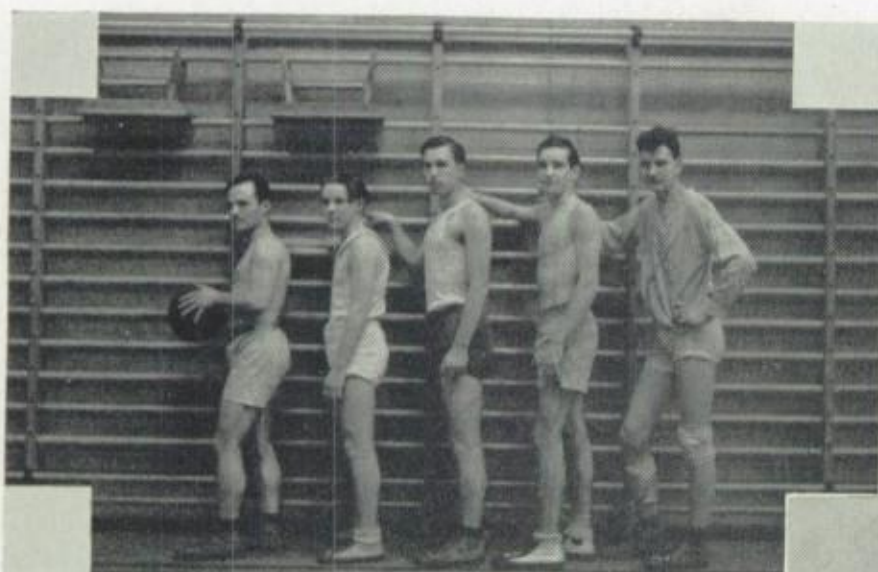

Another new sport which was started the past year was the establishment of a golf team. This was the first time golf has ever been attempted as an inter-scholastic sport and proved to be rather successful.

The team was very much handicapped by lack of practice. Although the Fremont Golf Club kindly consented to let the team use the course for the home games, it was unavailable for any practice.

The team was composed of caddies of the Fremont Golf Club. Lionel Lawrence was ranking number one man on the team.

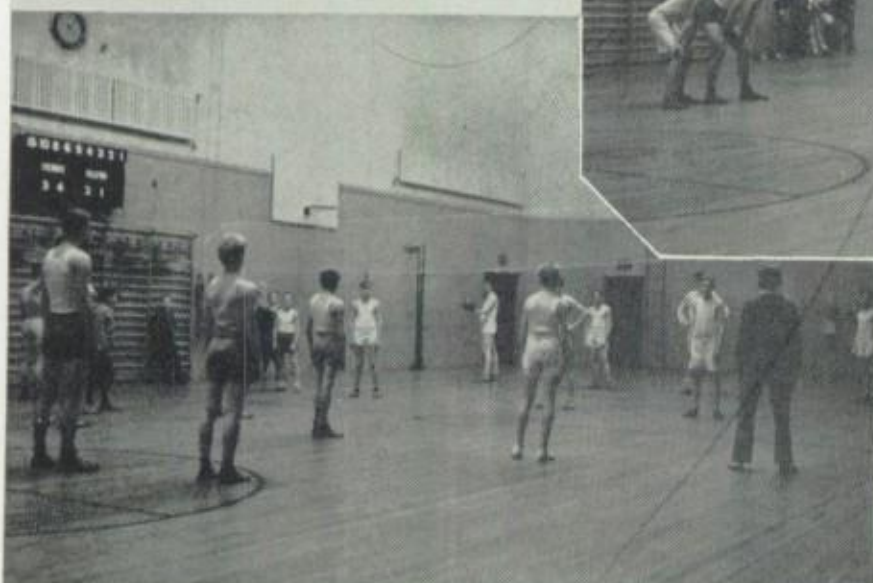

The team won from Napoleon, lost two matches to Sandusky, two to Findlay, one to Bowling Green, and tied Napoleon.

Mr. Oldfather was the coach of the team and also arranged the schedule. Much credit is due him for his work in attempting to establish a new sport under adverse circumstances.

What now?

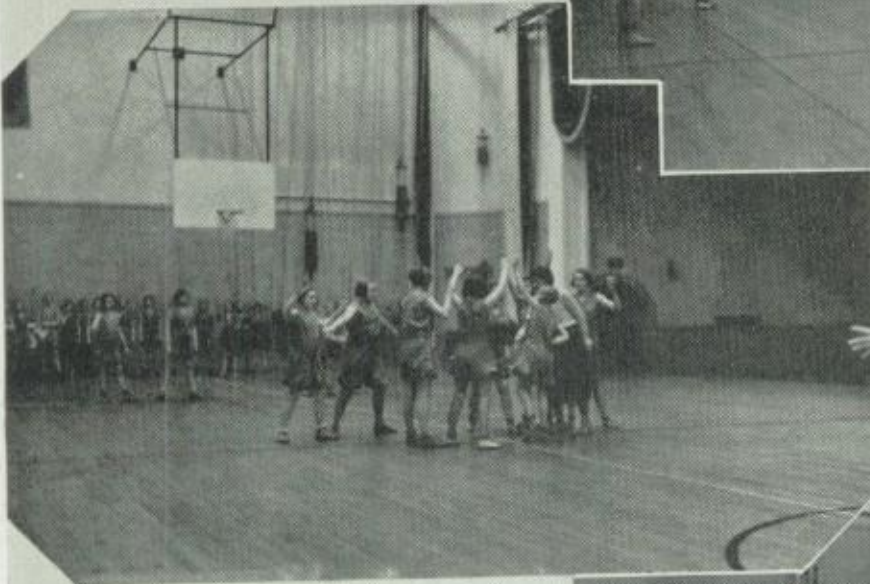

BOYS INTRAMURALS

Intramurals give every boy in the high school a chance to develop athletic skill. Any boy who is interested in any of the given sports is given an opportunity to participate in that sport. Teams are picked and a regular schedule of games is played after school. Volley ball, basketball, foul shooting, bombardment, and indoor baseball were open to the boys. This year a student manager, Woodward Cooper, had charge of all the schedules and games. Intramurals were a success, for all the boys who took part showed keen interest and had a lot of fun.

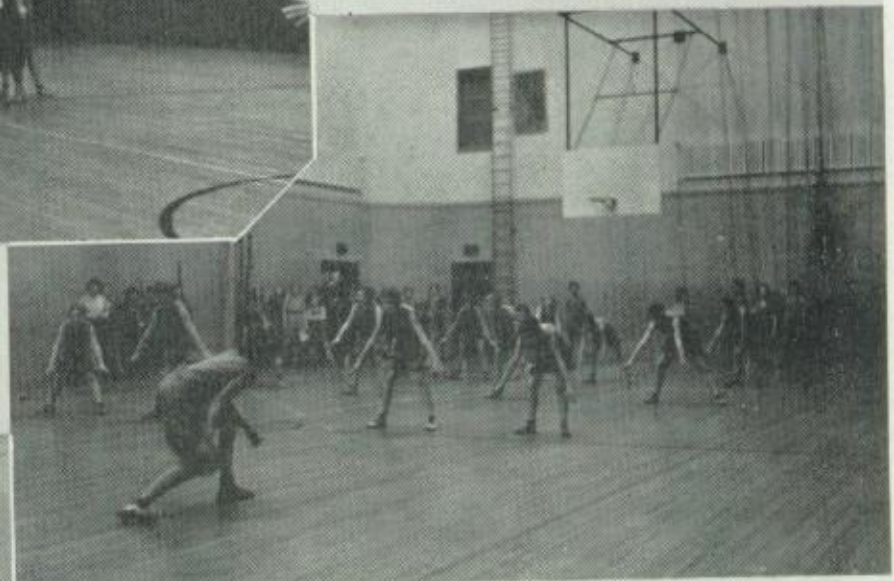

What a set-up. The ninth grade girls tangle with the Senior high girls

The youngsters are learning their basketball—the seventh and eighth grade

The bombardment is on—what a war!

Oh! the volley ball doesn't have a chance

GIRLS INTRAMURALS

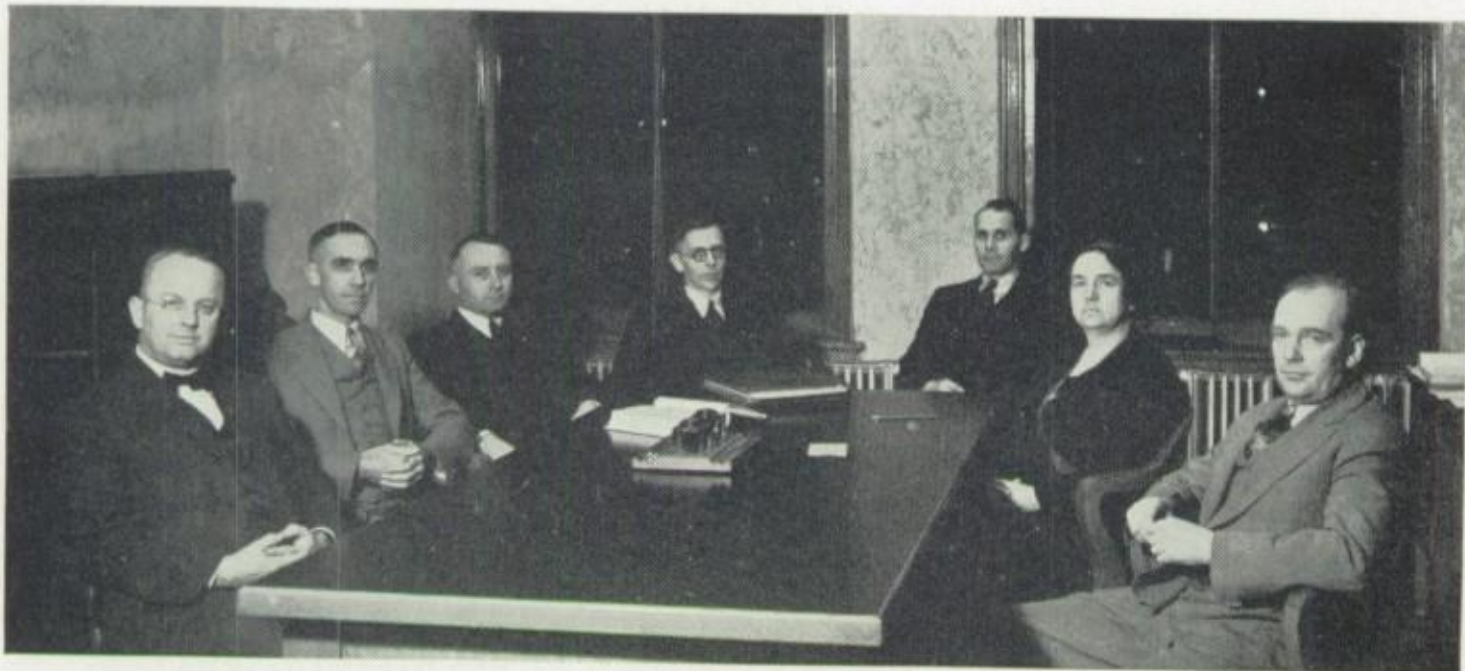

Intramural games are played after school between the sections of each grade. This gives each girl taking gym a chance to participate in them. The championship games are played between the winners of the seventh and eighth grade, and the ninth grade against the senior high team. Volley ball, hit pin, baseball, basketball, and bombardment are played during the year.

At the end of the year there will be a track meet and tournaments of deck tennis, shuffleboard and ping pong in which any one may enter.

THE SCHOOL

Left to right—Dr. B. O. Kreilick, C. A. Hudson, Carl F. Heid, C. Traub Gottron, C. F. Walton, Mrs. W. B. Holmes, Norman Fulton.

BOARD OF EDUCATION

This is the first full school year that has been spent by the student body of Fremont Ross High in the recently completed building. Three members of the present board were partners in that great accomplishment.

The Board of Education has had some change in personnel since last year. Mrs. Holmes, elected to the Board last autumn, has the unique honor of being the first and only woman ever to have been a member of the Board of Education. Mr. C. Traub Gottron, chosen to fill the unexpired term of Mr. Walton, who resigned, is also new to the Board.

Mr. Kreilick is President and Mr. Gottron clerk of the Board of Education.

The Class of 1932 wishes to make this an opportunity to thank the Board of Education for the many modern conveniences of school life which have been provided.

Mt. Vernon represents to the American people an accomplishment. It has the classic lines of beauty, simplicity, and moderation. It seems quiet and serene. On a bluff 200 feet above the broad Potomac it stands, a cherished link that binds the present to the past.

SENIOR CLASS

In 1928, we (class of '32) entered Fremont High School as timid Freshmen and spent an uneventful year.

As Sophomores we contributed our bit to school life. That year David Holmes, after saving a game for Fremont at the Sandusky Tournament, was acclaimed as a rising star.

While we were Juniors much was accomplished. We presented "Skidding," our first venture in the field of drama. We were the sponsors of a number of dances, the proceeds of which paid for the Junior-Senior Prom, the great event of the year.

The happiest and saddest year of all has been this last one in which we successfully financed the annual in spite of the hard times. It has been our plan to leave a memorial to the high school so that Fremont High will never forget the class of "32," which will long remember her.

UNDERGRADUATES

It was at old Independence Hall, Philadelphia, that our government spent, in a way, its undergraduate days—the days that preceded the arrival at full power of a new nation. It was here that the second Continental Congress met, chose Washington as commander-in-chief of the Continental army, and passed the Declaration of Independence. Here the Constitutional Convention held its secret meetings and gave us finally our present form of government. Surely these were heroic deeds of youth.

SOPHOMORE CLASS

FRESHMAN CLASS HISTORY

The Freshman Class consists of 223 students, 116 boys, and 107 girls. They have not yet organized, as it is the custom to elect class officers beginning with the Sophomore year.

The Freshman Class has participated in nearly all the events the upper classmen have. Of course, the class has not taken the leading role as yet that it expects to in the Junior and Senior years.

Several assemblies, plays, various sports and other activities have been promoted by the Freshman Class. Some of the students are in the Glee Club, Band, and Orchestra. The class has tried hard to support its school and help lead it on to worthwhile accomplishments.

The Freshman Class intends to help build, in the remaining three years, a school of which it can be justly proud.

1. Boy! The Alabama twist! 2. Future farmers. 3. Is it Jekyll or Hyde? 4. They'll grow up. 5. Someday we'll be seniors. 6. Dedicated to Loretto. 7. The last of "31". 8. Future Farmers and Home Ec. Banquet. 9. The eighth grade picnic. 10. Deacon Gavitt.

FEATURES

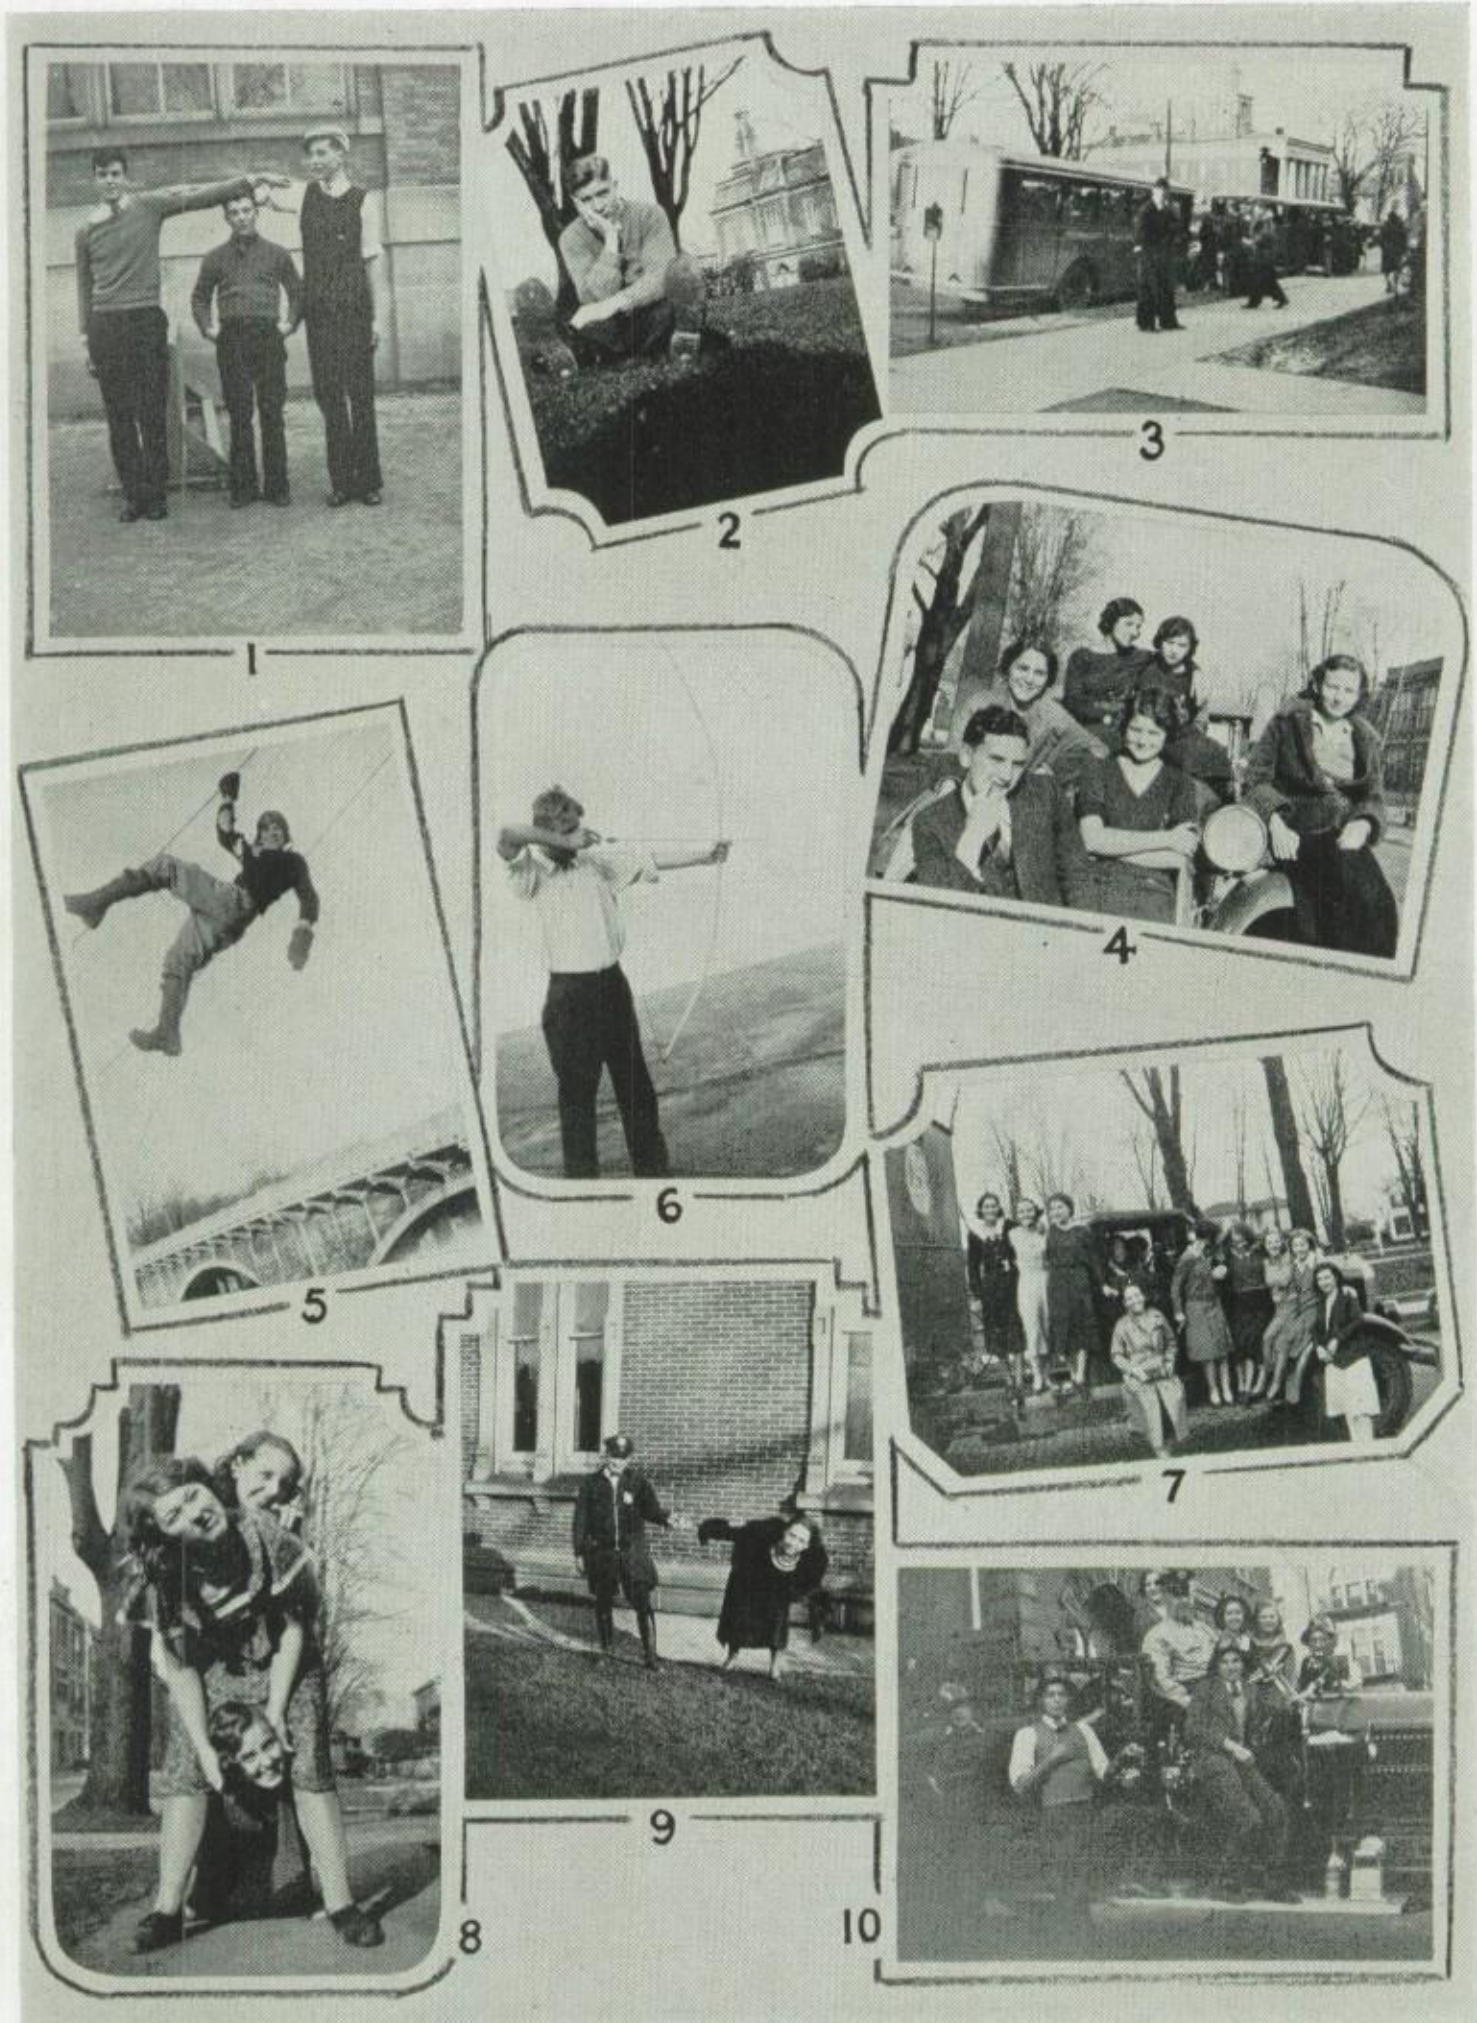

The gilded carriages of the Virginia Gentlemen, many of them bearing coats of arms, were a unique and picturesque part of the equipage of colonial America. Drawn by well matched spans of fours, attended by postillion riders and footmen, they presented an impressing spectacle. These carriages were made by the best craftsmen of England. One of Washington's letters discloses that he gave minute instructions as to the quality and design he wished built into his carriage. It was made in London.

1. Great minds—at play. 2. Junk shop or artist's bench? 3. Miss Wrigley faces the camera. 4. Innocence abroad. 5. Digging his own grave. 6. One of our nicest teachers. 7. Monarch of all he surveys. 8. Smiling? He must be happy. 9. Coy—but not in action. 10. Join the navy and see the world. 11. The most venerable of all. 12. Our local Einstein. 13. Miss Setzler—our foundation in mathematics.

1. Yes, they are really students. 2. The Croghan Staff—what a mess! 3. Not models, but artists. 4. Looks like London, but it's Fremont. 5. Homeward bound. 6. Chatter—they can do it. 7. The library—sometimes resembles a calendar—dates you know! 8. Work?—No, it's fun to get out an annual. 9. Aba! Caught! 10. Santa visits the Junior dance.

1. Big shots. 2. In love? 3. Now—home to mama. 4. The cradle robber. 5. Strung up. 6. Cupid. 7. The A. & P. truck arrives—fresh bread. 8. The "trusties". 9. Caught. 10. Where's the fire?

1. What the well dressed dishwasher will wear. 2. Shipwrecked on horseback. 3. "Tuffy". 4. Out where men are men. 5. Evolution, the upward trend. 6. Rumbling it. 7. Just a bathing beauty—first prize. 8. On first looking into a Model T. 9. At "Gob's" mercy. 10. Mess again.

WITH APOLOGIES TO SWAN

CALENDAR 1931-1932

Monday, September 28

The one and only U. S. Marine Band came to Fremont today and played a concert at Harmon Field. Music hath charms indeed to the student ears when it sounds "no more school today."

Thursday, October 8

Just imagine! big Russel Balsizer picking on little Johnny Waggoner and pushing him thru a glass in the Study Hall door. They do say the boys had to go down in their jean poskets and buy a nice new glass.

Saturday, October 17

Football game, Oberlin (there) 6-14. First game Fremont won this season.

Wednesday, November 4

Grades came out for the first time and were taken home with the usual tears, jeers, and cheers.

Tuesday, December 1

Howard Smith was getting pointers from the "Hooey" Magazine—such a thing for a Senior to be doing!

Wednesday, December 2

My! My! Two birthdays in the Senior Class—Betty Flickinger and Beans Magsig.

Friday, December 4

Hi-Y boys went to Dayton to a Hi-Y convention. Mr. Cooper played the organ pipes in Physics Class.

Today Mary Hohenstein, a member of the Senior Class gave up the "Halls of Education" for the "Halls of Matrimony."

Marjorie Cox, a Freshman, was very hungry and because of the depression, not having enough to eat was chewing on a paper clip and swallowed it! Oh! well these Freshmen will learn.

Monday, December 7

"Jean Forrest one dress cleaned," this was a tag found in William "Wee Willie" Wolf's car. What could this *mean*? Why "Wee Willie!"

Friday, December 11

Powell, the magician gave two performances. This was another good night for Senior boys to make their pickups.

Monday, December 14

Jack Wonzer was giving lessons in shaking dice in the Study Hall this noon. His pupils were—George Post and Willis Inks. Everything was fine until a certain party came along—did Jack and his pupils “scram” out of that Study Hall. Maybe Jack has rented a room by this time—for more privacy.

Mr. Lofgren of the Byrd Polar Expedition spoke in assembly this morning. His talk will always be remembered by students as enabling them to miss the first two morning periods.

Francis Thompson—has he the girls! There were about six after him today. You couldn't imagine the cause—three packages of *gum*.

Wednesday, December 23

School out at last. Happiness will reign for twelve days. Assembly in the morning, carols were sung. Everyone forgot to wish teachers a happy New Year.

Thursday, December 31

The old tradition that Dave Holmes head is ivory was broken today when it was learned that he had been unconscious for two hours as a result of a head injury incurred during Basketball practice this morning.

All students helped kick old man depression out the back door. All students resolve to work harder next semester.

Monday, January 4

Back to books and our teachers whom we love so well.

Wednesday, January 6

Burton Johnson is so “doppy,” he knocked the shade from a window in 228 and hit himself on the nose and really tried to kill our editor, Norton.

The Ohio State Board of Education gave a test to find out how bright Seniors really are, (if they are).

Friday, January 8

Joe Stang—the world's fastest 300 lb. sprinter set a new record from one end of the Study Hall to the other, in the remarkable time of $1\frac{7}{8}$ minutes.

Big pep assembly for the Bellevue game.

The big Basketball night for Fremont. The Reserves played Bellevue Reserves, Fremont girls played Clyde Reserves, and th Fremont Varsity

played Bellevue Varsity. It surely was Fremont's night as we won all three games. So far so good.

Friday, January 15

Another big night for Fremont. They played Sandusky and won by a big score. After the game a dance, and poor Howard Smith had on Bob Eckerts corduroy pants. Why? Use your imagination.

Monday, January 25

Final exams today. Students managed to take their fates as calmly as humanly possible. In the evening Fremont slaughtered St. Joe 43-19 in revenge for the game New Years day.

Thursday, January 28

Who said Mary Stokes was not an early bird? She arrived at High School in time to find a group of seventh grade boys eating their breakfast on the west stairs. Mary always did have a way of finding the "eats".

Monday, February 8

Picture Mary Stokes in an invalid chair—well it was almost that bad. Joe Stang strutting down the hall stepped on Mary's toes. Twinkle, twinkle, little stars.

Friday, February 19

Antoinette Walters was strolling down the hall between the second and third periods eating an apple.

Jack Wonzer was giving an exhibition of how long he could hold a note, a high C, in home room at noon.

Wednesday, February 24

Combined Assembly.

Haven Anstead divided Washington in (3) parts!

Speaker, minuet, piano solo, Orchestra played.

Friday, February 26

Hiram Moe Green and Burton Johnson think that Spring is here and wear tan knickers and red hot socks.

Saturday, March 5

It was a spectacle to watch Dave Holmes, the ballet dancer, do his steps as he registered his teams pride in accepting the handsome silver trophy for winning the Class A district Basketball Tournament. Lengthy Dave was attired for the occasion in Shorty Hollinger's sweat trunks—They did reach below Dave's shivering knees.

Thursday, March 10

Boy! what boosters Woodward Cooper and Haven Ansted are! They organized a Booster Club for the Tournament and after getting a bus load ready found there was no room for themselves, so they and other courteous students who were left behind in the mad rush for seats, spent several cold and weary hours in boosting a protesting Buick to Findlay.

Saturday, March 12

Saw our chances of going to Columbus in the finals of the State Basketball Championship go glimmering when Ashland nosed out Fremont in the finals at the Findlay tournament.

This year the nation is celebrating the 200th anniversary of the birth of George Washington. The Croghan staff in its selection of a theme, art work, color schemes, choice of cover, and general construction of the 1932 Croghan has attempted to catch something of the simplicity and beauty of our colonial period and to present a representative glimpse from a vast Washingtonia.
